Licences – Don't forget to check the renewal date!

Under BJA (British Judo Association) rules, after 4 weeks all players **MUST** have a licence. For Under 8's this is a Kano licence, £15 per year, for over 8's & Seniors this either a full licence, from £19 juniors £26 Seniors.

A temporary licence £6 for 4 months, for juniors or £12 a year for Seniors can also be obtained, however you can not grade or compete with a temporary licence.

Theory Gradings will take place in the first two weeks of September.

Kano Gradings are £4 each and Mon gradings are £6 each.

Please ensure your children are practicing! Kano grading details are in their books and Mon theory gradings are in their licences. Information can also be found on the club website.

We would be grateful if all **mat fees** could be paid at the *beginning* of each session, to comply with fire regulations we have to have a list of all players, the subs list serves as the list so we don't need to take a second register.

If you prefer mat fees can be paid monthly (in advance only). You will still only pay for the sessions the player attends.
