Check list for competitions

All players need to have;

White judogi (*ensuring it fits*)

Judo licence card (*ensure it is in date*)

Judo record book (*ensure the latest grade has been signed by a coach*)

White and blue belts (*good idea to have names on*)

Non fizzy drinks

Healthy snacks

For some national events a blue judogi is also required (*check with coaches*)

For older players a small first aid kit and tape is also a good idea.

Club AGM is Saturday 9th May 10.30am, usually last less than 30mins! – Please see details on last pages of newsletter
Club Competition Saturday 16th May

This is a great opportunity for our u8's to train with players from other clubs and then have mini fights to practice what they have learnt – all players receive an attendance medal. For red and yellow belts it is a great opportunity to compete for the club and hopefully win the county trophy on home ground! Also need all hands on deck to help make the day a success, we always make sure you get to see your children take part so you won't miss out!

Kitchen – volunteers desperately needed on the rota to help, more volunteers the less often everyone has to do take a turn!

If you are confident to cook there is tea making, sweet selling and washing up! We need the kitchen to pay for Christmas presents, Easter eggs and subsidise the annual trip. To run it we need volunteers, we have a great core team of volunteers; it is a great way to meet other club members! Please see Toddy to get your names on the rota.

Competitions Please see list. *We encourage players to try a competition, if they haven't done one, you learn more about judo in one competition than weeks of training, and it helps players understand the techniques they are taught in sessions. See information below*

Gradings can be carried out by level 2 coaches in club up to brown belt. Please encourage players to look at their judo diaries and complete the "in house" **theory sheets**, these help at lower grades and players go through the coloured belts.

- ***LICENCES*** – all players **MUST** have a licence after 4 weeks of judo, these licences **MUST** be renewed! Please check players licence renewal dates. Please ensure all licences are up to date! NB. club no. 1138. Mon & Senior Forms can be downloaded from BJA website, or renew online.

- ***Gradings and theory sheets***
Well done to everyone who has passed the theory sheets this month. Get cracking on the next one, or the first one! Does help with gradings! Theory sheets can be completed at any time, they are designed to help the players learn their English / Japanese translations which will help them with their gradings. Players received a certificate every time they complete one.

They can be downloaded from the website. There are links on junior pages to videos of techniques for each grade.

- ***Mat fees***, please pay mat fees at the start of the session as it acts as our register. Coaches are only responsible for players during session times for that player, if you aren't in the building during the session can you please let either one of coaches or Emma know. If you are likely not to be back at the end of the session, please ask someone else to be responsible
