Gradings and theory sheets

Well done to everyone who has passed the theory sheets this month. Get cracking on the next one, or the first one! Does help with gradings! Theory sheets can be completed at anytime, they are designed to help the players learn their English / Japanese translations which will help them with their gradings. Players received a certificate every time they complete one. They can be downloaded from the website. There are links on junior pages to videos of techniques for each grade.

Fundraising

We have a fundraising sub committee, anyone is welcome to join! We are planning a meeting in the pub, if you are interested see Sarah!

If anyone has any ideas or suggestions, every little helps. Also any links to local companies for raffle prizes? Some companies sponsor clubs that their employees are part of, is that a company you work for? Do you know of any grants we can apply for? Are you able to give applying for grants a go?

We will be starting the football cards again, better odds on winning than the lottery! Lots of local companies provide funding to clubs/organisations of their employees are involved, do you work for one of those companies?

Competitions

Not all competitions are suitable for all players so please speak to a member of the coaching team before a player is entered. It is important that players enter competitions suitable for their ability, for their own safety and development.
