**Thank you**, to our record number of swimmers in this years joint swimathon with the Guides and Scouts. 103 lengths for the u12 team and 237 for the over 12 team (including two parents!) **Well done** to all the players who competed and graded in February - don't forget the theory sheets (available to download from the club website) they do help with gradings!

### **Refreshments**

Thank you to everyone who is supporting the refreshments, remember the more you eat and drink the more goes back on things for the children - Easter is coming so we need to pay for the eggs for the Easter egg hunt!

### **Competitions**

Please see list at the end of the newsletter - on the back of what we know from our own competition we need to get entries in soon as possible so as not to be disappointed.

### **Our inter club**

Sunday 27th April - under 8 training and interclub (red and yellow belt) after the great support for our big January competition we need you all again on 27th April! This is Helen (our club welfare officer's) first competition as Tournament Director so we all need to support her! We need volunteers for lots of jobs on the day, (Sarah - volunteer co-ordinator- will have a list) raffle prizes and first aid. If anyone works for an organisation that might provide a raffle prize then that would be great too. Don't forget to enter players - be a shame for them to miss our own competition!

**Easyfundraising** - we had a cheque for **£28** this week for the last quarter, that's from 24 people! Imagine how much it would be if everyone was doing it! It really is easy! Please register, it's free and you can literally raise money for nothing! Check out the link.

Coaches are only responsible for players during session times for that player, if you aren't in the building during the session can you please let either one of coaches or Emma know. *If you are likely not to be back at the end of the session, please ask someone else to be responsible for your child.*

## **Grading and theory sheets**

Well done to everyone who has passed the theory sheets this month. Get cracking on the next one, or the first one! Does help with gradings! Theory sheets can be completed at anytime, they are designed to help the players learn their English / Japanese translations which will help them with their gradings. Players received a certificate every time they complete one. They can be downloaded from the website. There are links on junior pages to videos of techniques for each grade.

## **Fundraising**

We have a fundraising sub committee, anyone is welcome to join! We are planning a meeting in the pub, if you are interested see Sarah!

If anyone has any ideas or suggestions, every little helps. Also any links to local companies for raffle prizes? Some companies sponsor clubs that their employees are part of, is that a company you work for? Do you know of any grants we can apply for? Are you able to give applying for grants a go?

We will be starting the football cards again, better odds on winning than the lottery! Lots of local companies provide funding to clubs/organisations of their employees are involved, do you work for one of those companies?
