New Star players Tangoed! At Area Grading!
 Kieran was up first & stepped up to the mat. Ippon! Next up was Jack and it was a wazari win. Reece up next and another good Ippon. With all of them having a win under their belts (!) their orange belts were in the bag! Now it was what they did next which would determine how many mons they went up. Kieran & Jack both went on to win their next fights, Reece was unlucky and had an Hiki wak (draw, only used at gradings or team competitions) Kieran and Jack both were awarded 9th mon - orange and three tabs and Reece was awarded 8th mon, orange belt and two tabs.
 After a bit of a wait Jack Dymond & Jay Curtis (Yate Star) were up in the green belt group. In spite of winning a fight by Ippon and losing two, Jack stayed as 10th mon. Jay won 3 and only lost one to a blue belt, he was awarded 12th mon, Green belt 3 tabs.
 After a very long wait. Luke went out to grade, he needed 33 points for his 2nd Dan (black belt and two tabs) He won his first fight with a Wazari (7 points), lost his 2nd and had a Hiki wak with his 3rd! He now needs 26 points, which he hopes to get at the Plymouth Open 18th November.
