Senior & Masters Kyu competition

Thank you to everyone who took part in or supported our annual competition. There were 147 entries, and our own players all did the club proud. Huge number of club volunteers supporting the event

Annual membership fees thank you to everyone who has paid annual membership. Non member mat fees will apply to anyone who hasn't. Membership can be paid at any time through out the year.

Swimathon – *please see details*

Kitchen – just in case you don't know, the profits from the kitchen/tuck shop all go to pay for Christmas presents, Easter eggs and subsidise the annual trip. To run it we need volunteers, we have a great core team of volunteers, and additions to the team are always welcome; even if it is only every now and then! It is a great way to meet other club members! Please see Toddy to get your names on the rota.

Competitions Please see list. *We encourage players to try a competition, if they haven't done one, you learn more about judo in one competition than weeks of training, and it helps players understand the techniques they are taught in sessions.*

Gradings gradings can be carried out by level 2 coaches in club up to brown belt. Please encourage players to look at their judo diaries and complete the "in house" theory sheets, these help at lower grades and players go through the coloured belts.

Easyfundraising - Check out the link. With big shopping season coming up it's a chance to make some free money for club!

http://www.easyfundraising.org.uk/causes/patc_hwayjudo

Cash 4 clothes - please bring any of clothes and Sarah takes them and exchanges them for cash.

[THE WEEK AHEAD]

- **LICENCES** – all players MUST have a licence after 4 weeks of judo, these licences MUST be renewed! Please check players licence renewal dates. Please ensure all licences are up to date! NB. club no. 1138. Mon & Senior Forms can be downloaded from BJA website, or renew online.

- **Gradings and theory sheets**

Well done to everyone who has passed the theory sheets this month. Get cracking on the next one, or the first one! Does help with gradings! Theory sheets can be completed at any time, they are designed to help the players learn their English / Japanese translations which will help them with their gradings. Players received a certificate every time they complete one.

They can be downloaded from the website. There are links on junior pages to videos of techniques for each grade.

- **Mat fees**, please pay mat fees at the start of the session as it acts as our register. Coaches are only responsible for players during session times for that player, if you aren't in the building during the session can you please let either one of coaches or Emma know. If you are likely not to be back at the end of the session, please ask someone else to be responsible
