July'14

We have two new Western Area champions, Chloe and Finley! Well done to Ozzy and George who also medalled. On the back of their success Chloe and Fin join the role of honour of Patchway players who have been selected to represent western area at the Annual National team event.

Well done to all the players who competed, graded or completed theory sheets - don't forget the theory sheets (available to download from the club website) they do help with gradings!

Coaches - all 9 club coaches attended a coaching revalidation event last month on SAQ (sipped agility and quickness) some coaches have already used the equipment in the sessions.

Kitchen - please can we have more volunteers to help with making tea, selling sweets, cooking and washing up? There is a rota and if everyone put their names down it would be less than once a month. Remember the kitchen profits pay for Christmas presents, so benefits all players and their siblings!

Summer trip - this year is Exmouth 27 July - coach is booked so get your names down ASAP on the notice board -limited places left, you could always meet us there.

Competitions Please see list at the end of the newsletter - on the back of what we know from our own competition we need to get entries in soon as possible so as not to be disappointed.

Easyfundraising - Check out the link.

Cash 4 clothes - please bring any of clothes and Sarah takes them and exchanges them for cash.

*Don't forget to check out the website www.patchwayjudo.org or
FB pages / group Patchway judo club Bristol*

Mat fees

Please pay mat fees at the start of the session as it acts as our register. Coaches are only responsible for players during session times for that player, if you aren't in the building during the session can you please let either one of coaches or Emma know. *If you are likely not to be back at the end of the session, please ask someone else to be responsible for your child.*

LICENCES – all players **MUST** have a licence after 4 weeks of judo, these licences **MUST** be **renewed**! Please check players licence renewal dates. Please ensure all licences are up to date! NB. club no. **1138**. Mon & Senior Forms can be downloaded from BJA website, or renew

Gradings and theory sheets

Well done to everyone who has passed the theory sheets this month. Get cracking on the next one, or the first one! Does help with gradings! Theory sheets can be completed at anytime, they are designed to help the players learn their English / Japanese translations which will help them with their gradings. Players received a certificate every time they complete one. They can be downloaded from the website. There are links on junior pages to videos of techniques for each grade.

Fundraising

We have a fundraising sub committee, anyone is welcome to join! We are planning a meeting in the pub, if you are interested see Sarah!

If anyone has any ideas or suggestions, every little helps. Also any links to local companies for raffle prizes? Some companies sponsor clubs that their employees are part of, is that a company you work for? Do you know of any grants we can apply for? Are you able to give applying for grants a go?

We will be starting the football cards again, better odds on winning than the lottery! Lots of local companies provide funding to clubs/organisations of their employees are involved, do you work for one of those companies?

Not all competitions are suitable for all players so please speak to a member of the coaching team before a player is entered. It is important that players enter competitions suitable for their ability, for their own safety and development.
