**Thank you** to everyone who attend the AGM, no real changes to committee roles, Mark 'Toddy' Todd has taken on joint role of vice chair with Rich Bright and Emma has taken over a welfare officer role with Helen. If there are any male members or parents who would be interested then please don't be shy, there are two courses you need to attend, speak to Helen or Emma. Jen and Maggie are happy to carry on with the kitchen, however we need some more regular helpers, particularly anyone who would be available 11.30am for the third session so we can carry on refreshments in the 3rd session.

**Congratulations** to Reece on passing his level 1 coaching awards! We now have 9 qualified coaches in the club. For anyone who doesn't realise ALL our coaches are volunteers.

## **Gradings and theory sheets**

Well done to everyone who has passed the theory sheets this month. Get cracking on the next one, or the first one! Does help with gradings! Theory sheets can be completed at anytime, they are designed to help the players learn their English / Japanese translations which will help them with their gradings. Players received a certificate every time they complete one. They can be downloaded from the website. There are links on junior pages to videos of techniques for each grade.

## **Fundraising**

We have a fundraising sub committee, anyone is welcome to join! We are planning a meeting in the pub, if you are interested see Sarah!

If anyone has any ideas or suggestions, every little helps. Also any links to local companies for raffle prizes? Some companies sponsor clubs that their employees are part of, is that a company you work for? Do you know of any grants we can apply for? Are you able to give applying for grants a go?

We will be starting the football cards again, better odds on winning than the lottery! Lots of local companies provide funding to clubs/organisations of their employees are involved, do you work for one of those companies?

## Competitions

Not all competitions are suitable for all players so please speak to a member of the coaching team before a player is entered. It is important that players enter competitions suitable for their ability, for their own safety and development.

Please let Emma / Alison know at least **3 weeks** before the date of the competition, some need earlier depending on the level of the competition.
