Sept'13

Welcome back to those of you who have had a Summer break! Well done to the die hards who have battled through holiday training!

You will notice some changes at the youth club, brand new kitchen amongst other things.

Fab day out: clubs trip to Lyme Regis went very well, only got rained on once really! "Fab" day was had by all; team effort built a mammoth sand castle built with a huge moat! Thanks to Emma for organising, suggestions for next years trip welcome, preferably less than 2 hours away on our luxury coach.

Competitions will be hitting hard and fast from being of September, all the way through until Christmas. Details of competitions are the end of the newsletter in their own page! Really important to speak to the coaches as early as possible about entering competitions and get the slips and payment to Emma up to 3 weeks in advance of the date. Some are earlier.

Please keep an eye on the website and Facebook for most up to date information.

Refreshments

We have a brand new kitchen!

We will need some willing volunteers to help with cooking & serving drinks & sweets, need to start raising money for those Christmas presents!

PLEASE don't be shy, it's a great way to meet the rest of the parents in the club, see Sadie and do your bit for your club!

Grading and theory sheets

Well done to everyone who has passed the theory sheets this month. Get cracking on the next one, or the first one! Does help with gradings! Theory sheets can be completed at anytime, they are designed to help the players learn their English / Japanese translations which will help them with their gradings. Players received a certificate every time they complete one. They can be downloaded from the website. There are links on junior pages to videos of techniques for each grade.

Fundraising

We have a fundraising sub committee, anyone is welcome to join! We are planning a meeting in the pub, if you are interested see Sarah!

If anyone has any ideas or suggestions, every little helps. Also any links to local companies for raffle prizes? Some companies sponsor clubs that their employees are part of, is that a company you work for? Do you know of any grants we can apply for? Are you able to give applying for grants a go?

We will be starting the football cards again, better odds on winning than the lottery! Lots of local companies provide funding to clubs/organisations of their employees are involved, do you work for one of those companies?
