Club Summer trip

Trip to Concorde Museum dates to be confirmed.

We are the Champions! First interclub of the year at New Star and we retain the Bristol County trophy! Great numbers of U8's and Red and yellow belts. Be great to see even bigger numbers at ours on 12 May, which includes orange belts.

Our older players saw both Finley and Josie becoming British schools Champions for the 3rd time each. Both went on to do their Dan grade theory in the same month and **Finley** achieving enough points in competition beginning awarded his **Black belt!** We are all very proud! This on the back of winning Gold in both cadet and Junior categories in the Midland area, where there was a Silver for Josie in her first u21 event and a well deserved bronze for Holly.

We had 8 club players representing the county at the area teams; there were only 11 players altogether from Bristol! Josie and Sasha were part of the Bristol ladies team that won **GOLD**. Finley, Luke along with Sam and Reece, both coming out of competition retirement, were part of a 5 man team at who won bronze and Holly and Izzy were in the girls county team, they also won bronze!

We are holding inter club competitions coming up for our less experienced players, including our own in May—all hands on deck, it is not only good experience for players it is also a good fund raiser for the club!

Youth Centre

We share the building with the youth club and Little Gems nursery.

To help to keep our rent down we have spoken to Southern Brooks, who run the building, offered to do jobs around the centre. There will be a mixture of jobs that require special skills and others like cleaning the windows once a month. If anyone has any skills they are able to offer then please speak to Phelpsie, Alison, Emma or Toddy.

We are also changing our cupboard to the one in the hall, for this we will need help painting it and moving everything from our existing cupboard! Feels like moving home for our mats as it was our cupboard up until about 8 years ago!
